

Comparing Levels: Speaking Task 8

Level 12 Response Transcript

Hi Adam, how are you? I have just seen the very amazing thing now. There's, uh, some people playing in the park, uh, in teams. Um, you'll find, uh, like there's two teams—a blue team and a red team—and they are wearing, uh, costumes. Something from like, uh, historical ones, and a helmet.

They are also riding something like, uh, scooter with big wheels, black wheels. Um, there is like an army also drawn in each front of each one, like a shield, as if they're shield. I think it resemble cricket, but instead of riding the horse, uh, they are riding these wheels. Uh, there is red ball I think they have to kick it with this long stick.

Um, they seem happy and, uh, each one have to wait a turn, and the red—I think the red one is going to have score—no, it's the blue one. Yeah. Come and, uh, why don't you come and join this one. I'm waiting for you, OK?
