

## Comparing Levels: Speaking Task 3

---

### Level 5 Response Transcript

This scenario shows that this is a regular with the happening inside the restaurant, or maybe a cafeteria. Uh, I can see there is three staff, uh, busy attending with all the customers who are in queue. Um, one of the staff, the counter staff is assisting the customer order, while the other—the other one is packing the order for the customer who is in red. The other one, she is busy stacking up the stuffs when some of the kids are waiting for their order. I can see also with this, um, with this picture, that there is still few customer that still on line, waited to be called, waited to be assisted so that they can place their order. Um, there is one kid who is, um, asking her mother regarding a money-- [audio cuts off]
